Science - 3 credits (MN=3) Biology, Chemistry and/or Physics

Social Studies - 3 credits (MN=3.5) U.S. History, geography, world history

Government - .5 credits

Economics - .5 credits

Bible - 4 credits (Apologetics with Bryant)

PE - .5 credits \*

Health - .5 credits

Fine Arts - 1 credit (MN=1) \*

Finance - .5 credits

*Public Speaking - .5 credits*

*Typing/Computer - .5 credits*

Electives - 3-4 credits (possible 4 more elective credits over 4 years as a separate purchase - additional credits will be \$610 each through Northstar))

total=24 credits (or 28 depending on elective choices)

\* will be completed outside of normal school hours

*Italicized - optional but highly recommended*

Courses listed are minimum. Please note, if a student is planning on attending a 4 year college - they should look at what coursework is recommended in high school. Typically a student should look at adding 2 credits of a foreign language, an additional math course and an additional science course. Students will be able to fine tune their own classes/schedules when meeting with the Assistant Principal as well as making use of the NSA guidance counselor.
