

Wreath Fundraiser

I have seen so many Facebook posts by Heartland Families for the Wreaths! Thank you! **Sales forms are due Monday!** We must order right away, so please be sure to bring them in on Monday. We are asking students to sell 10 wreath items and 5 calendars. The top 3 sellers will earn prizes to Buena Vista! Calendars will also be ordered and all will be ready for pickup on the Monday of Thanksgiving week.

Winter Clothing

Please be sure to send in snow pants, hats, gloves and boots for your students. If they do not have proper clothing for the winter conditions, your student may have to stay inside. They go outside every day for recess and Mondays and Thursdays for gym. Winter items need to be brought home weekly. We ask that you wash your kids winter clothes over the weekend.

School Pictures Retakes

Lot's of sweet smiles in the school photos were sent home. If your student's photo was not their best, we will be having retakes on Monday Nov. 2nd. Please let the office know if you need a retake, and all photos must be turned back in for your child to have a retake done. If you are needing photos done for the first time, this is the link for you to order.

Principal's Corner

Dear Heartland Family:

It has been a solid start to the year. We have had a few hiccups but nothing we have not been able to deal with. The issues with planning and the virus have been interesting. We are developing new ways to teach and to keep kids who need to be home, in the loop.

One of the biggest things for me, an old guy, is the use of live streaming. Ms. Jackson has been trying out some new equipment that has made it possible for her to teach from home. It would also work to allow the student at home to be a part of the class without missing a beat. This is so cool.

One of our students asked the other day what would cause us to do distance learning. I told the class that we would go to that only if we had a community spread of the virus happening at our school. The school is one of the safest places for students so we want to keep them here.

Thank you so much for your support and understanding in this crazy time. Please pray to ask God to help get us through this time and keep our students safe.

God Bless you all. Jon

Volunteer for Shoveling

Hello, It's that time again; Snow Removal! We are looking for some people who would be willing to come and shovel sidewalks for us in the morning before 8/8:15 so they are clear when students arrive. If you would like to help out the students and staff in this way, please let the office know.

School Closures

Just a reminder, if we close or are late due to weather, we follow ISD31. If they are closed or late, we are as well. We will also inform you via email, facebook, etc.
