January: Responsibility

I can do the things I am expected to do and accept the consequences of my actions.
Whatever you do, work heartily, as for the Lord and not for men.
Colossians 3:23

PRINCIPAL CORNER

Here we go 2020! I pray that it will be a great year. I keep telling our board that we need to be ready for Heartland to explode. We are doing great things here and people are taking notice. Satan does not like it and sometimes tries to throw some roadblocks at us but we remain faithful to God and he keeps watching our backs. Our students at Heartland come here to get prepared for the world. They learn about our Savior Jesus Christ, reading, math, science, social studies, music, art, and many other things. They learn about serving others and being the hands of feet of Christ. Our goal when they go on from here is that they are confident and knowledgeable enough in their faith that they are able to stand up to all of the negative influences they will encounter. With all of this in mind the board and planning team for Heartland have been doing a lot of research and planning. We have spent a lot of time in prayer and have been led to a big area of need in our community. So, as of the fall of 2020 we are very excited to announce that **Heartland will be starting a Christian based high school in Bemidji!** We have a lot of planning ahead of us. This is going to be a huge project that can change education in the Bemidji area. We will be sending our information as it becomes available. Please pray for the planning team and others involved in getting this off the ground. If you have questions or comments, please contact either me at jon.ness@heartlandbemidji.org, or our Board Chair Debra debra.steele@heartlandbemidji.org Thanks and God Bless, Mr. Ness
